## **EUA NAMED ARCHITECT OF THE YEAR BY ASA-WISCONSIN**

MILWAUKEE — Eppstein Uhen Architects (EUA) has been recognized as the “2011 Architect/Engineer of the Year” by the American Subcontractors Association of Wisconsin (ASA-WI). The award will be presented to EUA at the annual recognition ceremony held on Tuesday, May 24, 2011 at the Wisconsin Club. EUA has been honored with the award a total of 12 times – more than all other architectural firms combined.

This prestigious award recognizes EUA’s collaborative approach to problem solving and the completeness of their construction documents. The firm’s collaboration and document quality has become even stronger in recent years through EUA’s industry leadership in the transition to Building Information Modeling (BIM).

Eppstein Uhen Architects, Inc. is a full-service, 104-year-old design firm best known for pairing inspired design with exceptional client service. More than 100 employees in Milwaukee and Madison are challenged to go beyond design by demonstrating a passionate commitment to the markets they serve, the community and their clients. The firm specializes in several distinct markets: public, education, health care, senior living, student housing, industrial, corporate, and mixed-use. For additional information, please visit [www.eua.com](http://www.eua.com).
