## **TWO ADDITIONAL EUA EMPLOYEES BECOME LEED® ACCREDITED PROFESSIONALS**

MILWAUKEE—Eppstein Uhen Architects (EUA) is pleased to announce that Interior Designer Jennifer Herr, ASID and Project Architect Ryan Jones recently passed the Leadership in Energy and Environmental Design® (LEED®) professional accreditation examination to become LEED Accredited Professionals. These two new LEED APs bring EUA's total number of LEED Accredited Professionals to nine.

LEED Professional Accreditation distinguishes building professionals who have the knowledge and skills to successfully steward the integrated design and LEED certification process. They have demonstrated a thorough understanding of green building practices and principles and familiarity with LEED requirements, resources and processes.

Sustainable Design is one of EUA's core values. The firm constantly strives to encourage and educate clients and staff to consider design and construction strategies that use natural resources in prudent and environmentally wise ways. All of our current projects have some consideration of sustainable practices and materials.

###

Eppstein Uhen Architects is a 101-year-old full-service design firm best known for pairing inspired design with exceptional client service. More than 140 employees in Milwaukee and Madison are challenged to go beyond design by demonstrating unparalleled commitment to the markets they serve, the community, and their clients. The award-winning firm specializes in several distinct markets: corporate office, educational, retail/mixed-use, senior living, healthcare, residential, public, industrial, master planning, and interior design. For additional information, please visit the company's website at [www.eua.com](http://www.eua.com).
